

AGN. NO.

MOTION BY CHAIR HILDA L. SOLIS

April 12, 2016

ICAN, the Inter-Agency Council on Child Abuse and Neglect, is Los Angeles County's official body to develop and coordinate services for the identification, prevention and treatment of child abuse and neglect. Since 1977, ICAN has brought over 30 city, county and state agencies together to improve the safety of children and families, and has partnered with ICAN Associates, a non-profit charity, to increase public awareness of the tragic reality of child abuse.

I, THEREFORE MOVE, THAT the Board of Supervisors join with ICAN in proclaiming April as Child Abuse Prevention Month in recognition of the importance of all agencies working together to protect the children of Los Angeles County, and in appreciation of the work of ICAN and ICAN Associates in bringing awareness to children in schools throughout Los Angeles county each year through the Child Abuse Prevention Month Children's Poster Art Contest.
